Dear Parents/Carers

Special Religious Education – Year 7 and Year 8 2024

Kingscliff High School does not provide Special Education in Ethics.

Each year all Year 7 and Year 8 students participate in Special Religious Education (SRE). During the year classes will be completing SRE beginning in Semester 1 2024.

SRE at Kingscliff High School is being provided by the Tweed Coast Christian Education Association and is non-denominational in its content. The Tweed Coast Christian Education Association is accredited with the Presbyterian Church in NSW, an Approved Provider of the NSW Department of Education.

More information, including the authorised curriculum scope and sequence, please visit the [Presbyterian Church in NSW](https://pynsw.org.au/sre/) website at: <https://pynsw.org.au/sre/>

Our school has a dedicated SRE teacher, who provides SRE to our Year 7 and Year 8 students on a fortnightly basis. Chosen topics allow students to question, explore and discover relevant issues, values and beliefs to assist their life choices and total wellbeing.

It is the expectation that all students will participate in SRE, however, parents/cares may withdraw their child from the SRE program by advising the school in writing.

During the time that SRE/SEE classes are being held, students not attending will be located in a separate space and will participate in meaningful activities.

Please complete your agreement / or withdrawal below and return to the school.

Yours sincerely
