YEAR 7 2025 PARENT INFORMATION NIGHT

Come along and find out about high school at Kingscliff High School. All parents/carers and students are welcome - from Kindergarten to Year 6.

The purpose of this session is to provide parents with an insight into high school life including what supports we have at school to ensure Year 7 is a success!

Year 7, in our experience is a fundamental educational year, where long lasting friendships are formed, and students start to choose the type of student and young person they want to become.

You will get the opportunity to hear presentations from our Principal, Deputy Principal, Year 7 2025 Adviser and the Head Teacher for Stage 4 (Years 7&8)

As we are currently in the middle of a large full school renovation, we will be able to include just a short tour but we are excited to advise that our renovations should all be completed this year and we look forward to welcoming our Year 7 2025 cohort into our newly renovated school.
