PRINCIPAL'S COLUMN

HSC Exams

All the very best to our Year 12 class of 2022, who began their HSC exams last week, with all exams at Kingscliff High School to be completed by Friday 4 November 2022.

School Captains 2023

Many thanks to our outgoing School Captain team (Ashi Hilmer, Jack Charlton, Abbey Webster & Raven Tuala) who are now in the midst of the above exams.

Congratulations to our new School Captains, Skye Warburton and Tomas Bowie and Vice Captains, Calista Graham and Rylee O'Connor, who took up duties at the start of this term. I am looking forward to working with them.

New Canteen Management

In a significant moment for our school, management of our Canteen will pass from our P&C to a local operator who has been successful through a public tender process completed last term. I would like to thank the many generations of our P&C Executive who have managed our Canteen since well before my time at this school until the present.

I am looking forward to beginning a new partnership with our new external Canteen operators, who will begin Monday next week, 24 October.

Coastal Academy of STEM Excellence - Eye On The Future Challenge

Next Friday, a number of our Year 7 students, along with students from our Coastal Learning Community (CLC) partner primary schools, will be gathering at Kingscliff High School for the above event, celebrating future focussed learning and technologies.

Teachers from our schools, along with our partners from Southern Cross University, will support students engaging with a mini solar car race and STEM team Olympiad. Successful teams will winners from our recent STEM Maker Fair for an SCU Experience Day Excursion at the SCU Lismore Campus on 18 November.

Thanks to our own Mr Wiggins and Ms Edwards from Bogangar Public School for their organisation.

Wishing all of our school community a great week.

Yours sincerely

Michael Hensley, Principal

ACHIEVEMENT THROUGH ENDEAVOUR

Bring Your Own Device (BYOD)

For continuity of Teaching and Learning, BYOD will continue into the 2023 school year. This means Years 7, 8 and 9 will now all require an iPad for school in 2023.

Please check your email inbox for information regarding this, including the BYOD information pack and the JB HiFi Discount code. Thanks again for your support

Far North Coast Dance

Our 7-11 Dance Companies performed in four items at Far North Coast Dance Festival last week. We are so proud of how our students danced and conducted themselves in the spirit of Dance Festival. We also had great Comperes from Kingscliff High School on Tuesday 13 September, with Lily Harding and Evie Cornell doing a professional job. Ari and Sabre are also to be commended for their photography and video skills. Thank you also to Ms White and Ms Zietsch for accompanying the Kingscliff High School students throughout the day.

VALID Year 8

Year 8 students will be undertaking the mandatory VALID Science Diagnostic online test during weeks 3 and 4 of this term. Letters to parents and carers have been sent home with students and can be found in this newsletter. Parents and Carers are asked to read the letter from the school and the DoE to find out more information. The specific test dates and catch-up days will be communicated through Sentral notices. Students are expected to bring earbuds/headphones on the day of the test. Please contact Mrs O'Keeffe, HT Science, if you have any questions.

YEAR 7 POD

Welcome back to our final term for the Year 7 POD. A busy term ahead with ongoing sporting events, the anticipated school camp in week 6 is on 14-16 November and our Passions Projects are well underway.

Students are currently participating in a variety of Project Based Learning subjects and are one week into their Passion Projects. A group of students are engaging with 'gym life' and fortunate enough to be accessing Xcell Health and Fitness Kingscliff. Students are receiving the support and guidance of professional personal trainers to gain knowledge and skills to enhance their understanding of the health and fitness industry.

Pics below: Xcell Health and Fitness Instructor Dan demonstrating and executing technique with students.

Cardio Fitness on the assault bikes: Jett Courtot, Dean Holland, Chase Stout, Linc Broderick, Zavier Kriss, Avalon Barnard, Jemma Corliss

Reminders:

1. Year 7 Camp notes due back as soon as possible, if you are wishing to have your child attend. Please contact the Year Advisor if you have any questions.
2. DoE Check in Assessments will be happening later in the term, date to be confirmed.
3. Assessment overview to come by end of Week 2. This will be sent to your primary email address.

SPORT NEWS

All School Athletics

Kingscliff High School would like to congratulate Macey France in her recent outstanding gold medal winning performance in the long jump at the NSW All Schools carnival.

Macey won Gold with a winning jump of 5.18m on her way to qualifying for the Nationals.

She will now compete at the Nationals Carnival in Adelaide in December.

We would like to wish her the very best!!!!

State CHS Athletics

Kingscliff High School would once again like to congratulate all their students who recently competed at the State CHS Athletics carnival on Wednesday 7-9 September.

Overall, there were some outstanding results.

Macey France - 2nd in Long jump, 6th in 80m hurdles

Anthony Carlos, Kobi Johnson, Max Tilton, Jackson Watmough - 7th in U16 relay

Emile Halliday, Parker Kemister, Kurt O'Meara, Beau Rodenburg - 7th in U13 relay

Kayde Bornholt - Final in 800m Sprint, Final in 400m Sprint and Final in Javelin

U14 and U16 Futsal Girls

The under 14 and 16 Girls Futsal teams travelled to Ballina on Tuesday 20 September to compete in the Far North Coast knockout competitions.

The Under 14's played with amazing skill and passion winning two games convincingly against Ballina and Murwillumbah. They were unlucky to lose 4-3 to Mullumbimby just missing out on advancing into the final.

The Under 16's girls had outstanding performances against Tweed Heads and Wollumbin but came up against a stiff Ballina team losing 3-2 in a nail-biting finish sadly missing out on advancing to the final.

All girls were fantastic representatives of Kingscliff High School school spirit and were a pleasure to share the day with.

U14 and U16 Futsal Boys

On Wednesday 21 September, the U14 and U16 Boys Futsal teams travelled to Ballina to play in the Far North Coast Futsal Carnival.

The U14 Boys played Ballina HS in their opening game, which finished 3-3 at the end of regular time. Dylan Lengyel scoring a double with Byron Dix also scoring. In extra time the score remained tied with KHS hitting the post twice before Ballina High School scored in the final 30 seconds to take a hard-fought win.

In their second game, the U14's lifted and had a convincing win against Tweed River HS, winning 5-2 with goals scored by Blake Braithwaite (2), Finlay Evans, Dylan Lengyel and Byron Dix.

The U14's finished their day playing Murwillumbah HS and winning 4 -1. Beau Aistrop played an incredible match, coming close on so many occasions, only denied by good goal keeping. Archie Allsopp opened the scoring, with Byron Dix adding two more before Javiah Baker finished the day with a fantastic goal, which rewarded his consistent effort.

The U16 Boys also played Ballina HS in their first game. Despite excellent goals by Jackson Watmough and Mason Canas the end result was a 4-2 loss.

They went on to play Wollumbin High School in their second match. Liam Gregoraci displayed an amazing goal keeping effort, but Wollumbin proved too strong with the end score 2-0.

The U16's played their final game against Murwillumbah High School and finished with a well-deserved 5-0 win. The Kingscliff High School goal scorers included 2 by Jackson Watmough, 2 more by Luka Brown and the last by Finlay Baker.

Congratulations to both Futsal teams. You have represented yourselves and the school with pride and should be incredibly proud of your efforts.

Dear Parents/Carers

As we near the end of the year, I want to thank you for your ongoing support and notify you of a date change for the last day of Term 4 classes.

Students will now finish school on Friday 16 December 2022.

This is due to an additional School Development Day announced for staff across NSW public schools.

School Development Days allow our staff to participate in professional learning that was put on hold due to COVID-19 staffing pressures and plan ahead for 2023 to ensure we meet the needs of our students.

With this change, we ask that you arrange alternative care for your child on Monday 19 December.

If you have any questions or concerns, please do not hesitate to contact me.

Yours sincerely

Michael Hensley

10 October 2022

Dear Year 8 Parent or Carer

The *Validation of Assessment for Learning and Individual Development (VALID)* diagnostic test for Year 8 students will be held between Monday 24 October and Friday 4 November 2022. The test takes approximately 75 minutes. The *VALID Science 8 test* is an interactive multimedia test completed entirely on a device, such as computer or iPad.

Further information regarding the test can be found in the accompanying letter from Paul Wood, Executive Director – Educational Standards. This is a test that is for diagnostic purposes only. Student results are not included in individual overall results for Year 8 Science at Kingscliff High School. The Science Faculty uses students' VALID results for planning and programming purposes to ensure students are progressing in science knowledge and understanding, and working scientifically skills.

Parent or carers of students with special conditions will be contacted by a Learning Support Team (LST) member to determine the relevant needs for each student. There are a number of special provisions that can be provided and this will be discussed with you by the relevant LST member. You will be required to complete and sign a form for any special provisions that are provided and if withdrawal or exemption is granted. These will be kept in each student's school records.

Specific details about when the test will take place will be communicated to students and the school community through our regular communication options.

Please contact Mrs O'Keeffe, Head Teacher Science on 02 66749 777 if you require further information about the *VALID Science 8 Test*.

Yours sincerely

Jacinta O'Keeffe
Head Teacher Science

Compulsory school attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

What are my Legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age of 17 years. The Education Act 1990 requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the NSW Education and Standards Authority for home schooling.

Once enrolled, children are required to attend school each day it is open for students.

The Importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An Application for Extended Leave may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

My child won't go to school what should I do?

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

What might happen if my child continues to have unacceptable absences?

It is important to understand that the Department of Education may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department may apply to the Children's Court for a Compulsory Schooling Order. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

What age can my child leave school?

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

Working in Partnership

The NSW Department of Education recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

Tweed Valley Hospital Project

Site activity update – Tuesday 27 September to Friday 7 October 2022

Construction activities

The following activities will take place over the next two weeks, weather permitting:

Works for the main hospital buildings:

- Internal structural steel installation is ongoing.
- Ongoing fit-out activities on all levels, including services, walls, partitions, ceilings, painting and flooring.
- Continued delivery and installation of precast façade panels, with 99% precast panels and 83% mega panels now installed.
- Civil works for the new main entry road.
- Ongoing work for the switching (power) station and water tanks on the western side of site.

Works on Cudgen Road:

- Ongoing work for the new eastbound Cudgen Road lanes including concreting, footpath construction, placement and compaction of fill and a seal on top of the new lanes.
- No traffic changes are anticipated in the coming fortnight.

What to expect during construction?

- Ongoing regular construction vehicles entering and exiting site.
- Standard construction hours are Mon-Fri 7am-6pm, and Sat 8am-1pm.
- Some noise, dust or vibrations may occur from these activities. Monitoring controls are in place to maintain levels within permissible limits.

Additional information

Community notifications are issued to provide important and timely information to the community about the works. Please subscribe [here](#).
