Year 12 Formal

Many thanks to Mrs Levi and her Year 12 Formal Committee for their organisation of this outstanding school community evening, held last Wednesday at Plantation House in Duranbah. All the very best to our graduating class of 2022.

Year 7 Camp

Our Year 7 cohort are currently enjoying their 'Covid postponed' camp at Kindilan Adventure Park in Redland Bay, QLD. Many thanks to Mr Jovaisa and his team, including most of our Pod teachers, for making this experience a memorable one for Year 7.

Years 8 – 10 Exams

Last week and this week students in the above year groups have been completing formal end of year exams as part of their overall assessment for this year. Results from these exams will be reflected in end of year reports.

HSC Minimum Standards Testing

All students intending to complete their studies with an HSC will need to meet NSW Minimum Standards for literacy and numeracy. Students currently in Years 10 or 11 who have not already achieved the minimum standards will have the opportunity to do so next week through formal testing. Students with any questions should contact their Year Adviser.

Landscape Design

Issues such as shortages of materials and tradies continue to cause frustrating delays in the rebuild of our school facilities. However, opportunities for community engagement continue. Members of our Aboriginal and Torres Strait Islander community are invited to a workshop which will finalise the landscape design of our school's redevelopment in a culturally appropriate manner. The workshop will take place Wednesday next week (23 November) from 3:30pm until 6:30pm in our Library. Light refreshments will be provided.

Postponed P&C Meeting

With apologies to members of our P&C, a last minute postponement of this week's meeting will see our P&C meet for the second last time this year next Monday (21 November) from 6:00pm either in person in our Meeting Rooms, or for those that are unable to attend in person, they can join the meeting online via Teams (the link will be emailed to all families).

Wishing all of our school community a great week.

Michael Hensley, Principal

Environmental Club

Kingscliff High School's Environmental Club were selected as finalists in the Green Innovation Awards. Students travelled to Lismore to present their idea to a panel of judges. They were up against two other schools in the final and the competition was tough. Unfortunately, we didn't take the win, but it was a great achievement to make the finals on our school's first entry. The judges were very impressed with the floating house idea the students proposed.

Congratulations to these students on their effort and hard work.

SPORT NEWS

Beach Volleyball

It was a picture-perfect day on Friday 4 November for our Kingscliff beach volleyball teams. All teams played well and had a great day. Unfortunately, we lost to Ballina and Tweed on the day.

U14 Girls Cricket

Kingscliff High School U14 Girls Cricket team travelled to Ballina on Thursday 10 November to play in the third round of the CHS knockout tournament.

Kingscliff High School batted first with Macey France, Ivy Donald and Jaymee Garland all batting well to help the team to post 8/66 at the end of the first innings.

When it was our time to bowl, Mia Phillip got us off to a good start with an early wicket. Asha Warburton and Alex Carlos also bowled well all day. Sienna Hoopman was terrific in the field, taking a great catch and nearly getting a run out. Unfortunately, Ballina were too good on the day, making 3/66 with two overs to spare to take the win.

A great day with all students demonstrating STAR behaviour and representing the school proudly.
