Year 11 Presentation Assembly and School Captains 2023 Induction

On Friday 11 November 2022, Year 11 students and their families are invited to celebrate the completion of Preliminary Studies at the end of Term 3 and the 'official' assumption of duties for our new School Captains team. The Assembly will be conducted in our MPU (School Hall) from 9:30am

This week saw the first of many scheduled meetings between myself and Skye, Tomas, Calista and Rylee. I look forward to regular catch ups with them between now and the end of Term 3 next year.

Schools Spectacular

Congratulations to the following students who have been selected to represent Kingscliff High School at Schools Spectacular 2022 with the theme Creating the Magic. The school was successful in their audition and had 16 students selected to perform in The Guinness World Record holding arena as the event returns to Qudos Bank Arena.

They will travel to Sydney in Week 7 for intense rehearsals before performing on the 25th and 26th of November 2022.

Yr11 Students - Mikaela Boag , Penelope Davis, Dempsea Vlamis , Skye Warburton

Yr10 Students - Jahla Burger, Mackellar Ewington, Sarah Jones, Hayley Maingay, Annabelle Mosely

Yr9 Students -Koa Bond and Bella Kerr

Yr8 Students -Gemma Angel, Willow Condon, Isla Hunt, Asha Warburton, Ella Bonner

This remarkable annual event will celebrate youth, education, culture, diversity and young Australian talent and will feature over 5,000 students from across New South Wales public school.

Scholarship Success

For the past few years our Aboriginal girls have benefited enormously from the Beyond Broncos program. This year, my congratulations to Annie-Mae Wales (Year 12 2022) who has been awarded the Beyond Broncos / NRMA Insurance Student Award for academic achievement, commitment to school and cultural leadership. The award brings with it a healthy financial boost to support Annie-Mae's first year at University in 2023.

Well done Annie-Mae!

Year 10 Child Studies

Congratulations to Ms Rowles' class for their work around healthy eating for parents and small children – "Feeding Little Ones". The material they have produced addresses a pressing issue for our broader community, addressing both toddlers and parents in an age appropriate and accessible manner.

A great example of real-world learning for our students.

Coastal Learning Community Combined Staff Meeting

Last Tuesday afternoon, our teachers were joined by colleagues from our partner primary schools as we considered the ways in which we are adjusting practices in our classrooms and across our schools in order to better support student engagement in learning.

The intention was to build understanding among teachers about what is happening in schools that cater to the same cohorts of students from kindergarten through to Year 12, while also looking for opportunities for further collaboration on how to support greater continuity in student learning.

My thanks to all of our primary school colleagues for their time, energy and expertise.

Wishing all of our school community a great week.

Michael Hensley - Principal

Kingscliff and Bogangar Public Speaking Competitions

Our Junior debating team was kindly invited to adjudicate the public speaking finals at Kingscliff Primary School and Bogangar Primary School.

There are many benefits for students that can come from schools collaborating with each other in a formal partnership and Kingscliff High School proactively fosters and values these opportunities.

The primary students really valued and appreciated our high school student feedback, not to mention it made the event all the more professional having independent adjudicators onsite. It was really lovely to connect with our partner primary schools and aided in bridging the gap for students who will soon be attending Kingscliff High School. Seeing our students acting as positive role models, providing constructive feedback and being open and approachable allowed the primary school students a secure glimpse into their future. Any fear or apprehension regarding High School was certainly eliminated today.

Our own students who make up the debating team at Kingscliff High School also benefited greatly from these experiences. They were able to refine and consolidate their own knowledge of public speaking when they were required to act in the role of the expert and make critical decisions regarding the effectiveness of each debater. They took great pride in their roles and the opportunity to network with other community members.

A big thank you to Jake Spence, Riley Carslaw-Harkins, Bradley Hennekam, Kiki Gonzales and Callum Mitchell for giving up their time to participate in this program.

YEAR 7 POD

We had a whopping PB4L certificate presentation for Year 7 last week. Well done to all Bronze, Silver and Gold recipients, very well deserved!

iSTEM - Food Technology Students preparing and cooking 'Burgers'. Students are very happy with full bellies after a successful practical lesson in the cooking kitchens.

1. DoE Check-in Assessments are happening this week in class for Literacy and Numeracy. Students are encouraged to bring earphones for the assessments, they will be using their iPad to access the testing.
2. Reminder Year 7 Camp is on **14-16 November 2022** at Kindilan Adventure Camp, Redland Bay, Queensland.

SPORT NEWS

Open Boys Cricket

Last week the Kingscliff High School boys met Ballina Coast at Walter Peate oval. After being sent in to bat they struggled to get going, losing early wickets. Fortunately, Brodie Felton saved the innings with a nice dig of 55 runs, guiding the team to a total of 134. In the field the boys missed some early chances allowing Ballina to get off to a solid start, their number 3 batsman getting 43 after being dropped 3 times. Sadly, Ballina passed our score with 5 wickets in hand. Best bowlers on the day were Zeke Mostert and Riley Weir. The boys can hold their heads up high. This is a very young side and next year I'm sure they are in for a better season.

U14 Boys Cricket

Congratulations to the Under 14s Boys Cricket Team for their performance in Round 1 of the CHS Knockout Competition! After batting first, Kingscliff High School made an imposing total of 347 from 40 overs – with captain, Riley Weir (118 not out) and vice-captain Brody Felton (116) both leading from the front with fantastic centuries! In the field, Kingscliff restricted Banora High School to 97 in what was a great team effort in the second innings. Special mention to Samuel Batchelor for taking 3 for 13 and Brody again contributing with 3 stumpings. It was pleasing to see the students encourage and support each other and have fun in the process!
