### NAIDOC WEEK AT KINGSCLIFF HIGH SCHOOL

Across our country, the first week in July is set aside to commemorate the work begun by the National Aborigines and Islanders Day Observance Committee (NAIDOC) in what has become known as NAIDOC Week. Because this significant event in our national calendar falls during the winter school holidays, our school celebrates NAIDOC Week during the last week of Term 2.

With many thanks to members of our Aboriginal community and our Aboriginal Education Team here at school, the theme of "Get Up, Stand Up, Show Up" has been well and truly on display at our school this week. During our whole school assembly on Monday morning, Uncle Victor Slockee welcomed us all to Country, Ernie Williams led us through a powerful smoking ceremony and Leween Williams, President of the Tweed Wollumbin Lands Council, and a former student, delivered the keynote speech.

In addition, we were able to recognise our most recent addition to our Kingscliff High School Indigenous Wall of Fame, Mr Lucas Proudfoot, who graduated from our school in 1997 and went on to achieve great success as a performer and author for early childhood audiences, building understanding of and engagement with First Nations cultural perspectives.

### STUDENT PERFORMANCE EVENINGS – WINTER COLLECTIVE

It has been wonderful to see the return of these evenings after the disruption caused by the COVID Pandemic. Our dedicated CAPA teachers have been working with very excited and equally dedicated students to produce a night of music on Tuesday, dance on Wednesday and drama on Thursday. Performances on each night begin at 7:00pm in our MPU.

I would again like to confirm that, despite the Teacher's Strike on Thursday, the Drama Evening will go ahead on Thursday as planned. I would like to thank the CAPA teachers for their dedication in ensuring the night goes ahead as planned.

### STEM MAKER FAIR AND CAREERS EXPO

Last Friday, students from our school and our partner primary schools participated in an amazing celebration of technology and creativity. Their work was judged by a panel comprising teachers, students, university and industry representatives. There were six Kingscliff High School teams, with the winning team being the "Beauty Clean" team consisting of Tyler Cain, Cedar Sharwood and Jimmy Harry all from Year 7. There were 16 teams from our CLC Primary Schools with 1<sup>st</sup> place being awarded to "Best Bowl" from Kingscliff, 2<sup>nd</sup> place was "Ocean Tide" from Bogangar and 3<sup>rd</sup> place was "Nascis", also from Bogangar.

Congratulations to all the teams involved.

### PUBLIC EDUCATION FOUNDATION AWARD

Congratulations to Calista Graham of Year 11 who has won the Public Education Foundation Rural and Remote Indigenous Secondary Scholarship. This prestigious award will support Calista completing her studies at school and beyond.

### END OF TERM

A reminder to our families that, while the school will be providing minimum supervision only on Thursday due to the planned Teachers' Strike, our last day for students this term is Friday 1 July, when normal lessons will be taking place.

All students will return for the start of Term 3 on Tuesday 19 July. Monday 18 July will be a Staff Development Day for teachers only. In the meantime, I would like to wish all of our school community a great week and winter vacation to follow.

### DEBATE GALA DAY FRIDAY 17 JUNE

On Friday 17 June was a very special day for the Year 7 and 8 Debate Teams, challenging their skills and opening opportunities for everyone to work together in the NSW Premier's Debating Challenge.

Persisting and showing great confidence and knowledge of general issues around school, media and sport by both teams, Kingscliff Team A (Rory, Jenny, Austin, Zoe) and Kingscliff Team B (Ben, Jack, Nirvana, Rachel) began their first debate against one another, Kingscliff Team A winning in the end after a very close series of arguments. The topic was 'That students should always pick their group members for group work'.

The day continued and Kingscliff Team A debated against Byron Bay High School, representing the school in a respectful and conscientious manner, winning the debate for Kingscliff High School. The topic was 'That we should introduce compulsory technology classes for all Australians over 60'.

Kingscliff Team B worked very hard in their separate debate with Kadina High School at the same time, making educated points against the opposing team and overall winning the debate on the topic 'That people should have to use their real name when posting anything online'.

A very successful day for Kingscliff High School, with wins across the board!

What's next: We are off to a final round of debating to see who will go to the Finals of the Premier's Debating Challenge!

### YEAR 12 ANCIENT HISTORY TRIP

On Friday 24 June, the Year 12 Ancient History class set off, nice and early for the [History Teachers Association HSC Study Day](#). We had a slight hiccup in the morning when our flight was cancelled but we were soon underway. We participated in a fantastic lecture on Sparta, got some great advice on the Egyptian Army and brushed up on our knowledge of the Pompeii and Herculaneum section of the exam, as well as technology, conservation, and evidence for everyday life. It was wonderful to be able to experience a little of campus life at the university as well. We would like to thank all the presenters for sharing their time and expertise with us and for a seamlessly organised event.

We'd like to say a special thank you to the [HTA](#) for choosing Kingscliff High School as the recipient of the Philippa Medcalf Memorial Remote Subsidy Grant. Everyone agreed it was a wonderful, very valuable day.

## KINGSCLIFF HIGH SCHOOL CELEBRATES NAIDOC WEEK

On Monday 27 June, we held our NAIDOC Opening Ceremony at a full school assembly. We were honoured to have parents and community in attendance including elders, **Aunty Dale Williams**, **Uncle Victor Slockee** and **Uncle Robert Smallwood**.

The ceremony began with a beautiful Welcome to Country by **Uncle Victor Slockee** who explained the significance of the land on which we work and learn each day and the importance of caring and respecting this country.

Our students were also treated to a traditional Smoking Ceremony conducted and explained by countryman **Ernie Williams** followed by a powerful speech by CEO of the Tweed Byron Local Aboriginal Lands Council, **Leweena Williams** on the significance of NAIDOC and this year's theme **Get Up! Stand Up! Show Up!**

Each year at this ceremony, we recognise and celebrate a former Aboriginal or Torres Strait Islander student and/or staff member who has achieved excellence in one or more of four categories. This person is inducted into our Wall of Fame which is proudly displayed in our school library.

We are very, very proud to announce our 2022 Wall of Fame recipient is **Lucas Proudfoot** who attended Kingscliff High School from 1992 – 1997. Amongst many achievements including being an internationally acclaimed surfer, Lucas has carved out an impressive career as an author and entertainer, performing on ABC Play School and with other children's entertainers such as Hi5, Justine Clark and Yo Gabba Gabba. He tours Australia and the world performing his contemporary cultural show Circular Rhythm to over 100,000 students across each year. His outstanding contribution to cultural inclusion and education. (Principal speech at the end of this newsletter)

The traditional flag raising ceremony was proudly carried out by Year 11 students **Jack Stavleu** and **Kobi McIntosh** before a lovely morning tea for Elders, parents and community members assisted by Year 11 students, **Isabella Whitehead** and **Chelsea Overall**. A great day was finished off for the kids with a BBQ with a playlist of Aboriginal and Torres Strait Islander music.

Our staff then finished the day with some Professional Learning after school on 'Connecting with Aboriginal Students, Families and Communities' delivered by Aboriginal Education and Wellbeing Officer, **Belinda Standage** and

Aboriginal Community Liaison Officer, **Tracy Mackenzie**.

The rest of the week includes a variety of activities including an Artefacts display and information session conducted by **Warren Phillips** and **Ernie Williams**, a Yarn Up for all Aboriginal and Torres Strait Islander students down at the Cudgen Creek reserve, Wear the Colours Mufti Day, and some of our students are visiting the primary school to conduct an Indigenous Games activity.

## SPORT NEWS

### OPEN GIRLS SOCCER

Kingscliff High Schools Open Girls Soccer team have played two fantastic matches in the past few weeks. The girls took on Alstonville in the 5<sup>th</sup> round of the CHS Knockout and absolutely dominated winning 5-2. The girls displayed admirable determination and amazing skills across the field. This allowed the girls to make it through to the North Coast final against Belligen.

The girls played with complete prowess and competence to be down 1 nil at halftime due to a penalty. Having sustained injuries and with no substitutes, the girls came back to 1-1 after an amazing display of team spirit and strength. Belligen were clearly rattled, and we were unlucky not to score again, after some fantastic attacking performances led by Charlette Drake and Syennah Thomas.

Unfortunately, some very questionable refereeing resulted in us playing with 10 players for the rest of the game and we eventually succumbed to defeat, however, not without putting up a tenacious fight.

I was honoured to witness an outstanding performance by the entire team, as well as some inspirational efforts led by Lolah Edwards and Amelie Laird in midfield, Jade Biddle, Ella Dalzeill and Chloe Laguzza in defence, Charlette Drake and Syennah Thomas in attack and Nakeisha Drew-Perkiss in goals. Well done on an exceptional effort girls!

### YEAR 9/10 GIRLS TOUCH TEAM

On Thursday 23 June, the Year 9/10 Girls Touch Football team travelled to Ballina to compete in the FNC NSW Touch Carnival. They had an excellent result by coming 2nd and will travel to Sydney later in the year to compete at the NSW State Carnival.

## YEAR 9/10 BOYS TOUCH TEAM

On Thursday 23 June, the Year 9/10 boys Touch Football team played in the NSW Far North Coast All Schools Carnival. They played six games during the day, drawing two and winning four. This qualified them for the final against Tweed River High School in which they were narrowly defeated. Second place qualifies the boys to go onto the next round which will be played in Sydney. Well done boys!

A special thanks should be given to our two volunteer referees for the day, Taleah Palmucci and Kayde Bornholt who showed great maturity and skill to referee such fast-paced games. Thank you and well done!

## YEAR 7/8 GIRLS TOUCH TEAM

Congratulations to the Kingscliff High School Years 7/8 Girls Touch Football team for their efforts in the Touch Footy All School Knockout. Playing together for the first time they finished the day in 4th place after 2 strong wins, a draw that they could have won and 3 losses, a couple of which were very close, including to the eventual winners.

The girls improved significantly on the day and should be a real force in 2023. Well done girls!

## YEAR 7/8 BOYS TOUCH TEAM

On Wednesday 22 June, the Year 7/8 Kingscliff High School Boys Touch Football team travelled to Ballina to play in the Far North Coast All Schools NSW Touch Football Carnival.

Despite limited preparation time, the team quickly excelled beating both St Joseph's College 3-0, and Tweed River High School 5-1 in the opening games. The team then had a hard-fought win coming from two tries down to beat Lindisfarne 5-3, before narrowly losing in a tight game to the Coffs Harbour team from Bishop Druitt College 6-5.

The Kingscliff High School boys responded to the loss, by recording two impressive afternoon wins against Inverell 7-1 and Casino 5-0 to finalise the rounds.

Positioned in 2<sup>nd</sup> place after the 6 round games, Kingscliff High School were once again competing against Bishop Druitt College in the Grand Final. Unfortunately, Bishop Druitt College jumped to an early 4-0 lead, and despite an inspired comeback Kingscliff High School finished runners-up losing 6-3 in the final.

Congratulations to the boys. You have all represented yourselves and the school with pride. The future of Touch Football at Kingscliff High School is bright.

## FNC ATHLETICS

Congratulations to the Kingscliff High School Athletics team. Following the completion of the carnival we had 40 qualify for NC in 80 events and 8 relays. We were the most qualifiers of any Far North Coast school.

## NC CROSS COUNTRY CARNIVAL

Congratulations to the 15 students who qualified for the State Cross country carnival at Sydney Motorsport Park, Eastern Creek on Friday 22 July.

In an outstanding days efforts Kingscliff HS finished the day with more students qualifying for the State carnival than any other high school on the North Coast.

# KINGSCLIFF HIGH SCHOOL

ACHIEVEMENT THROUGH ENDEAVOUR

During our NAIDOC celebrations each year we proudly recognise and celebrate one of our own, an Aboriginal and/or Torres Strait Islander previous student or staff member who has demonstrated outstanding achievement in one or more of the following areas:

- the Arts
- Sport
- Business/Public Service
- Academia

This person is inducted into our Wall of Fame which is proudly displayed in our school library.

Our recipient today is a proud member of the Tweed Coast Aboriginal and Islander community. He attended Kingscliff High School from 1992 to 1997 and is remembered for his energy, enthusiasm and charismatic personality. He was an impressive allrounder, loved his sport and was good at it! A great footballer and athlete, representing his school and community at State level. He is also an internationally acclaimed professional surfer.

Today, and for the last 20 years, his work has taken him around our country and indeed the world as a talented multi platform storyteller, sharing stories through his music, books, live performances and TV appearances. He performs his contemporary cultural show, Circular Rhythm, using guitar, didgeridoo and the stomp box, to over 100 000 kids each year. We indeed have had the great privilege of him delivering his entertaining contemporary Indigenous Australian music experience recently at our school.

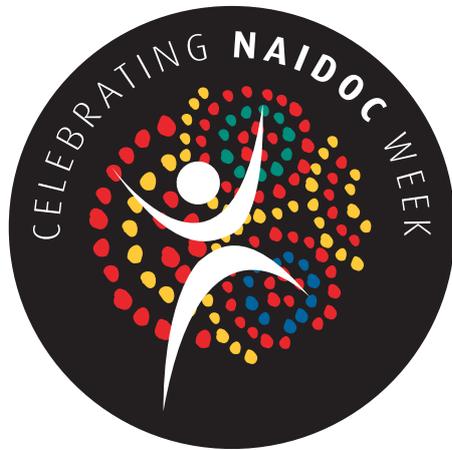

He has a long list of achievements which include:

- being an ambassador for the [Australian Literacy & Numeracy Foundation](#), 'ALNF'
- being a special guest on Australia's favourite children's program *ABC Play School*, where he performed four original songs as part of the program's 'Music in Me' series
- performing over 250+ live shows every year
- being a published author of a five-part book series titled [The Proud Foots](#), with one of Australia's leading education publishers
- Headline and guest appearances at a number of writers' festivals including the Sydney Writers' Festival, Brisbane Writers Festival, Byron Writers Festival, Whitsundays Voices Literature Festival, Kimberly Writers Festival and Somerset Storyfest, Australia's premier youth literature festival based in Queensland
- Sharing the stage with a host of Australia's most renowned children performers including Hi5, Justine Clarke, ay Laga'aia and Yo Gabba.

As a trailblazer in the world of children's cultural entertainment and education by sharing stories which deliver powerful messages and inspire young people to learn more about Indigenous cultures and the diversity and vibrancy they bring to our communities, this year's recipient truly embodies the 2022 NAIDOC theme – Get Up! Stand Up! Show Up!

Please put your hands together for Kingscliff High School's 2022 Wall of Fame Recipient – Mr Lucas Proudfoot!
